

CERTIFICATE OF CONFORMITY
OF FACTORY PRODUCTION CONTROL

Certificate Nº: 1035-CPR-ES 058860

In accordance with (EU) Regulation Nº 305/2011 of the European Parliament and European Council dated 09 March 2011, laying down the harmonised conditions for the marketing of construction products, it has been ascertained that the products

STEELS STRUCTURAL COMPONENTS

Standard:	EN 1090-1:2009+A1:2011 –Steel and aluminum structural components. Part 1: Requirements for conformity assessment of structural components
Execution classes according EN 1090-2: 2011:	EXC 1, 2, 3 y 4

Manufactured by the company: **MECET SL.**

Business address: POLÍGONO BAKIOLA, PABELLÓN Nº14,
ARRANKUDIAGA, 48498, VIZCAYA

At the manufacturing plant(s): POLÍGONO BAKIOLA, PABELLÓN Nº14,
ARRANKUDIAGA, 48498, VIZCAYA

The manufacturer has been submitted to a manufacturing production control, the initial type tests have been conducted and the notified body Bureau Veritas Certification has carried out the initial inspection of the factory production control and regularly inspects and assesses the production control of the plant set forth in annex ZA of the aforementioned harmonised EN standards.

This certificate confirms that all the requirements in relation to compliance with the conformity specified in Annex ZA of the aforementioned harmonised standard have been met and entitles the manufacturer or representative of the same to use the CE mark.

This certificate shall remain valid while the conditions specified in the aforementioned harmonised standards, the plant manufacturing conditions and the production control system at the factory do not change significantly, until 18 September the 2017.

Initial issue date: Madrid, the 19 September the 2014
